- Private lessons are one on one lesson for a half hour every week for the amount of lessons purchased.
- Some people choose to take two lessons back to back because of driving distances.
- Lessons paid for can be taken at any time up to six months from first scheduled lesson date.
- For pitching lessons the student must bring a catcher this enables our instructors to spend more quality time with the student.
- To cancel a lesson you must call at least 24 hours in advance unless it is an emergency or you will be charged with a lesson, and this can only be done one time during a lesson package.
